**\_\_\_\_\_About Angelo Troisi\_\_\_\_\_**

Angelo has been shooting shotguns since his late teens, and has made this sport his career. Angelo has been involved in every aspect of the game, including managing New England's largest private shooting facility, Minuteman Sportsman's Club. He sells guns, tube sets and shooting accessories. This wide range of shooting experience has helped his students reach their potential faster and with less frustration, than the trial and error method that he experienced.

Angelo has been on 16 All American teams since he won the Champion of Champions Event at San Antonio in 1986 and again in 1999. He has shot registered Skeet since 1968 and has shot over 175,000 registered targets throughout the country. He has been a member of the Massachusetts and Zone I Skeet Teams more than thirty five times.

Angelo has given over 8,100 hours of Skeet instruction, ranging from Novices to World Champions. He is was Zone I Chief Instructor and assisted in compiling the NSSA Instructor's Manual. He has attained the NSSA Masters rating, one of 10 in the World.

- How to Practice Constructively
- Equipment and Reloading Advice
- Concentration and Mental Management

## SKEET SHOOTING CLINIC

Would you like to learn the correct basics of skeet shooting? Would you like to hone your skeet shooting skills and break some bad shooting habits? Then this clinic is perfect for you. Because every shooter, from enthusiastic beginner to seasoned veteran, will benefit from this no nonsense approach to skeet shooting.

This Clinic will be packed with skeet instruction by NSSA Master instructor Angelo Troisi. This class will consist of 6 hours of instruction in convenient segments. You will learn how to hit moving targets with the most efficient stance and form for your build and temperament shooting with Angelo at your side. These segments will be either private or semi-private for relaxing, non-intimidating instruction, and maximum personal attention.

You will learn Angelo's Unique 4 Step Coil method that will take the guess-work out of finding the correct distance, height and position for your gun from the face of the house. Don't practice your mistakes over and over. This a perfect time to take a positive step to reach your full skeet potential.

Every student will learn a technique to reduce stress and increase concentration. A copy of this proven audio tape will be given to every **advanced** student.

## What's Included

6 hours of comprehensive skeet instruction, in 2 hour segments.

Mental Management Audio Tape
